

# Aspiring To Study In The World's Most Reputed Institutions Of Canada? Here's A Step By Step Guide For You!

It's tempting to go to Canada and lose yourself in this majestic land of maple. This second largest country in the world has all the dramatic features of nature quenching the thirst of nearly every traveler. Whether we talk about its incredible wildlife and rolling plains or the grandeur of its beautiful, diverse, and vibrant cosmopolitan cities, Canada is blessed in literally every way.

This vast, rugged land measures 4,600 km from north to south, spanning more than half the northern hemisphere and 5,500 km from east to west, stretching across six time zones. The country occupies more than 9.8 million square kilometers with a population of 37,610,350. Canada is bordered by 12 US states of the continental United States in South and by Alaska (USA) in the west. It shares maritime borders with Saint Pierre, Greenland and Miquelon, an island which belongs to France. Most of the Canada, except the west coast has a winter season with average temperatures below freezing and with continuous snow cover.

Beginning from the 15th century, French and British expeditions started exploring, colonizing, and fighting over several places within North America in what constitutes the present-day Canada. The disputes related to land between fur traders and farmers gave rise to four wars between 1689 and 1763. The French and Indian war was the last war which resulted in British in control of Canada. However, the influence of French still continued which remains strong till date. Canada became independent in 1931 and its constitution was patriated in 1982. Giving way to several territorial changes, Canada now comprises of three territories and ten provinces.

Canada has been known as an education superpower with its education system as one of the best in the world and outstanding quality of life. It is renowned worldwide for offering high quality education at an affordable rate with degrees that are recognized globally. Canadian universities have a rich history and reputation in terms of academic performance and high graduate employability rate with most of them making their mark into reputed international rankings, which is why it is becoming one of the most popular destinations for international students. Be it excellent and affordable academic training, safe and diverse environment or a friendly cultural life, Canada provides students all the ingredients to help them achieve a successful career.

### **Study Visa Canada With IELTS**

The International English Language Testing System (IELTS) is one of the most popular tests for global migration that tests a person's English language proficiency. Anyone who wants to apply for **Canada study visa with IELTS** is required to clear the test with minimum 6 bands overall.

We, at Davesar also offer IELTS coaching through a dedicated team of certified IELTS trainers providing students with all the latest study material and conducting weekly mock tests for real IELTS experience.

### **Study Visa Canada Fee**

A **Canada study visa from India costs** \$150 (CAD) which can be roughly equivalent to INR 7,800 rupees plus processing charges. After submitting the visa application, you can pay the **Canada study visa fee** online through credit card or offline through depositing cash at the

Visa Application Centre. You can also pay the fee through demand draft if paying at the High Commissioner of Canada.

The course fee in Canada varies according to the institution and course you choose to study in and the province. However, the medical as well as technical courses are more expensive than the art courses. Nevertheless, if we compare to other countries, than this cost is generally more affordable. Following is an average tuition fee per year for international students in Canada –

<b><u>Study Program</u></b>	<b><u>Average Fee (in Canadian dollars)</u></b>
Undergraduate Program	\$12,000 to \$25,000 per year
Postgraduate Program	\$24,000 to \$35,000 per year
Doctoral Degree	\$7,000 to \$10,000 per year
